

Penelope has a new cat...

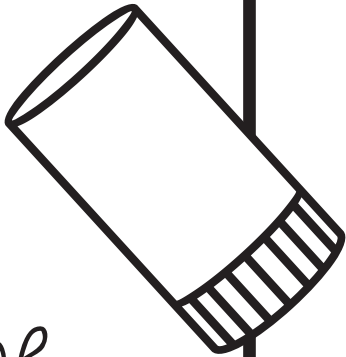

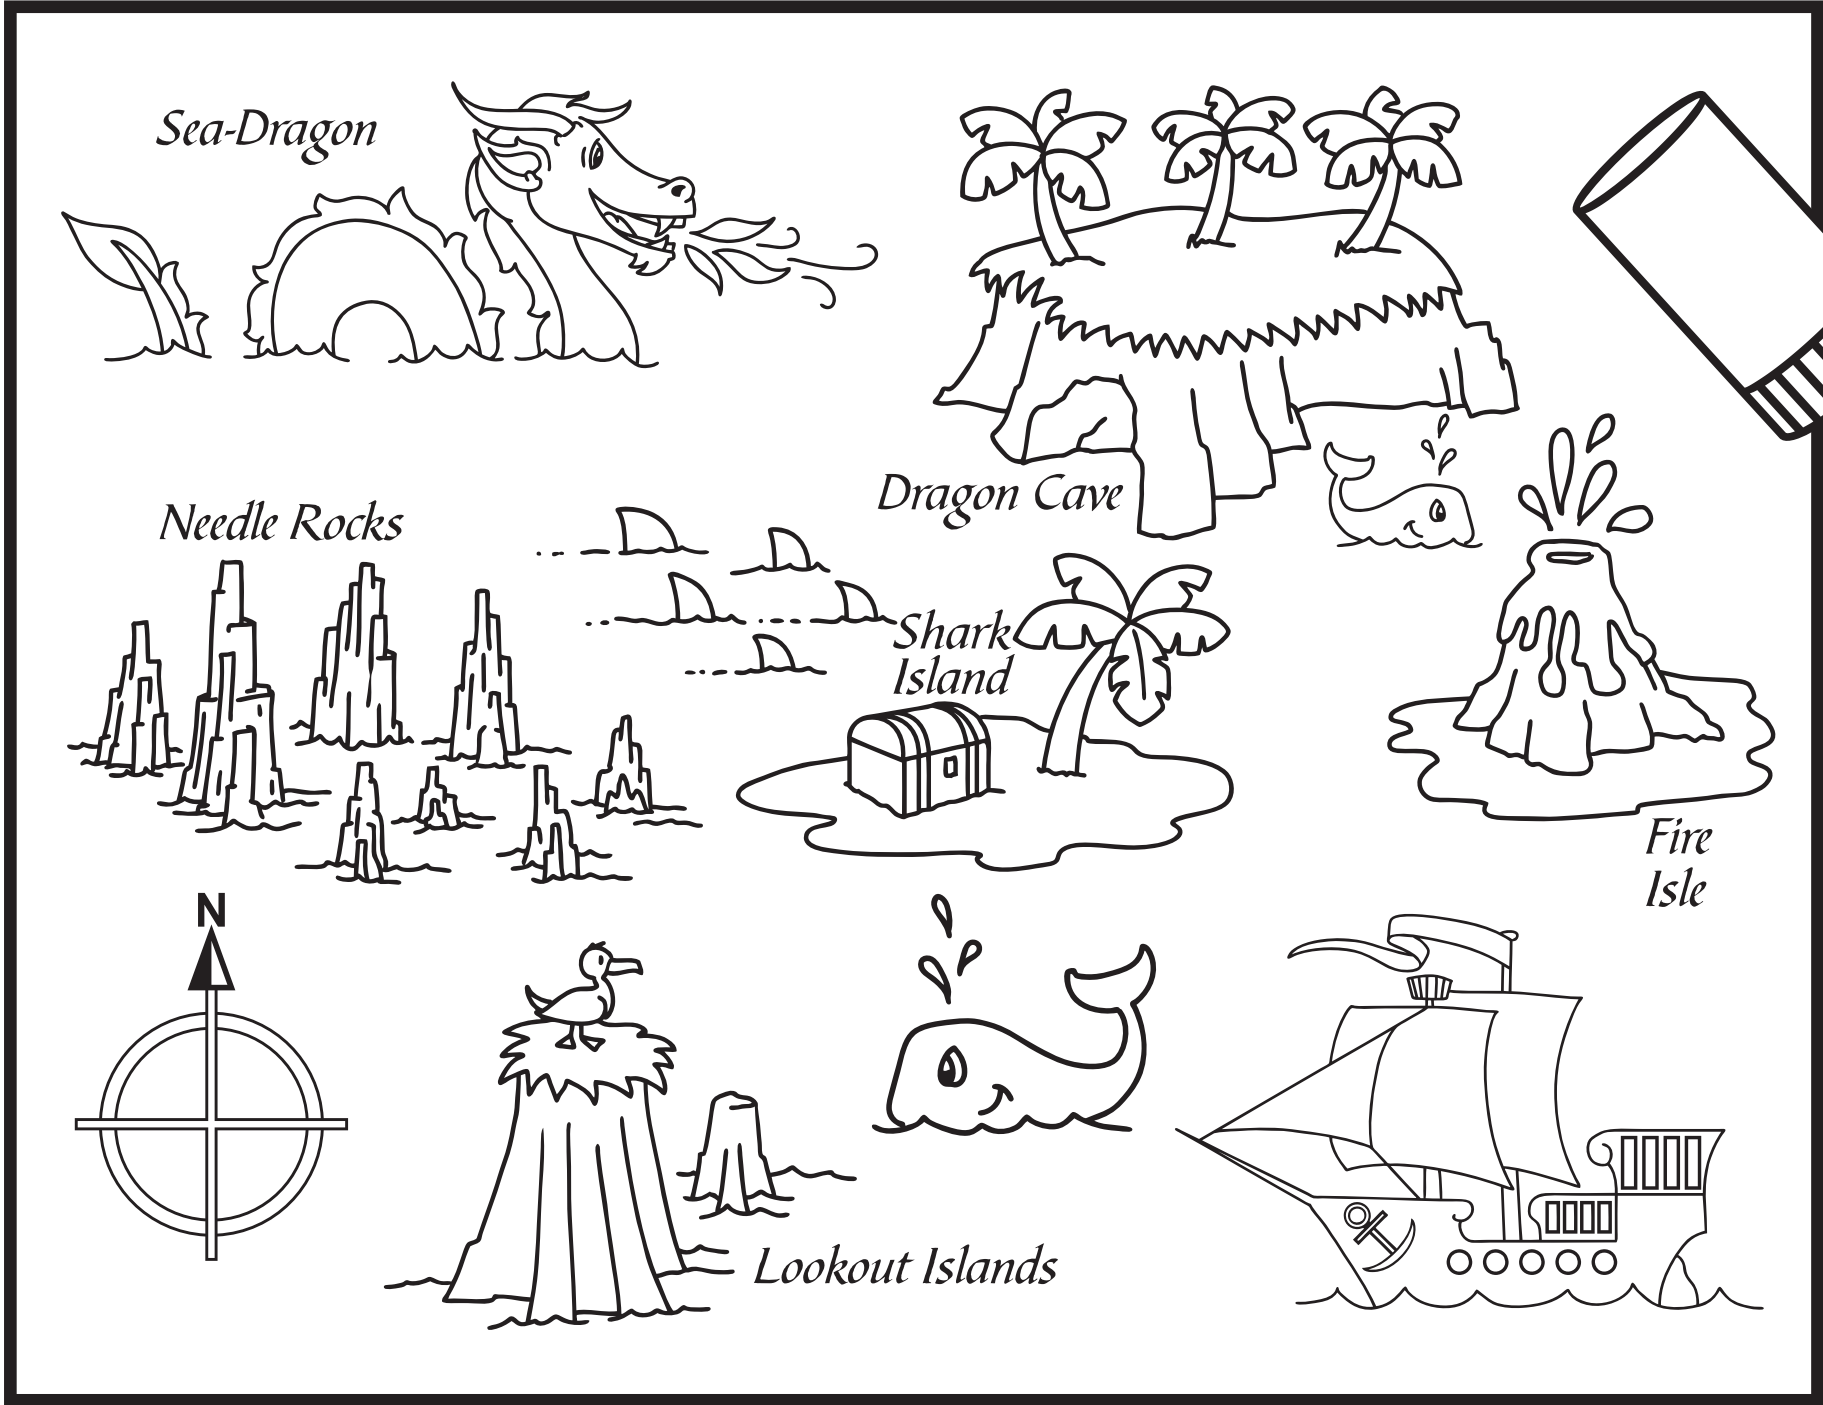

Hello little cat, I think I'll call you Purr!

What's that
hanging on your
collar, Purr?

PURR

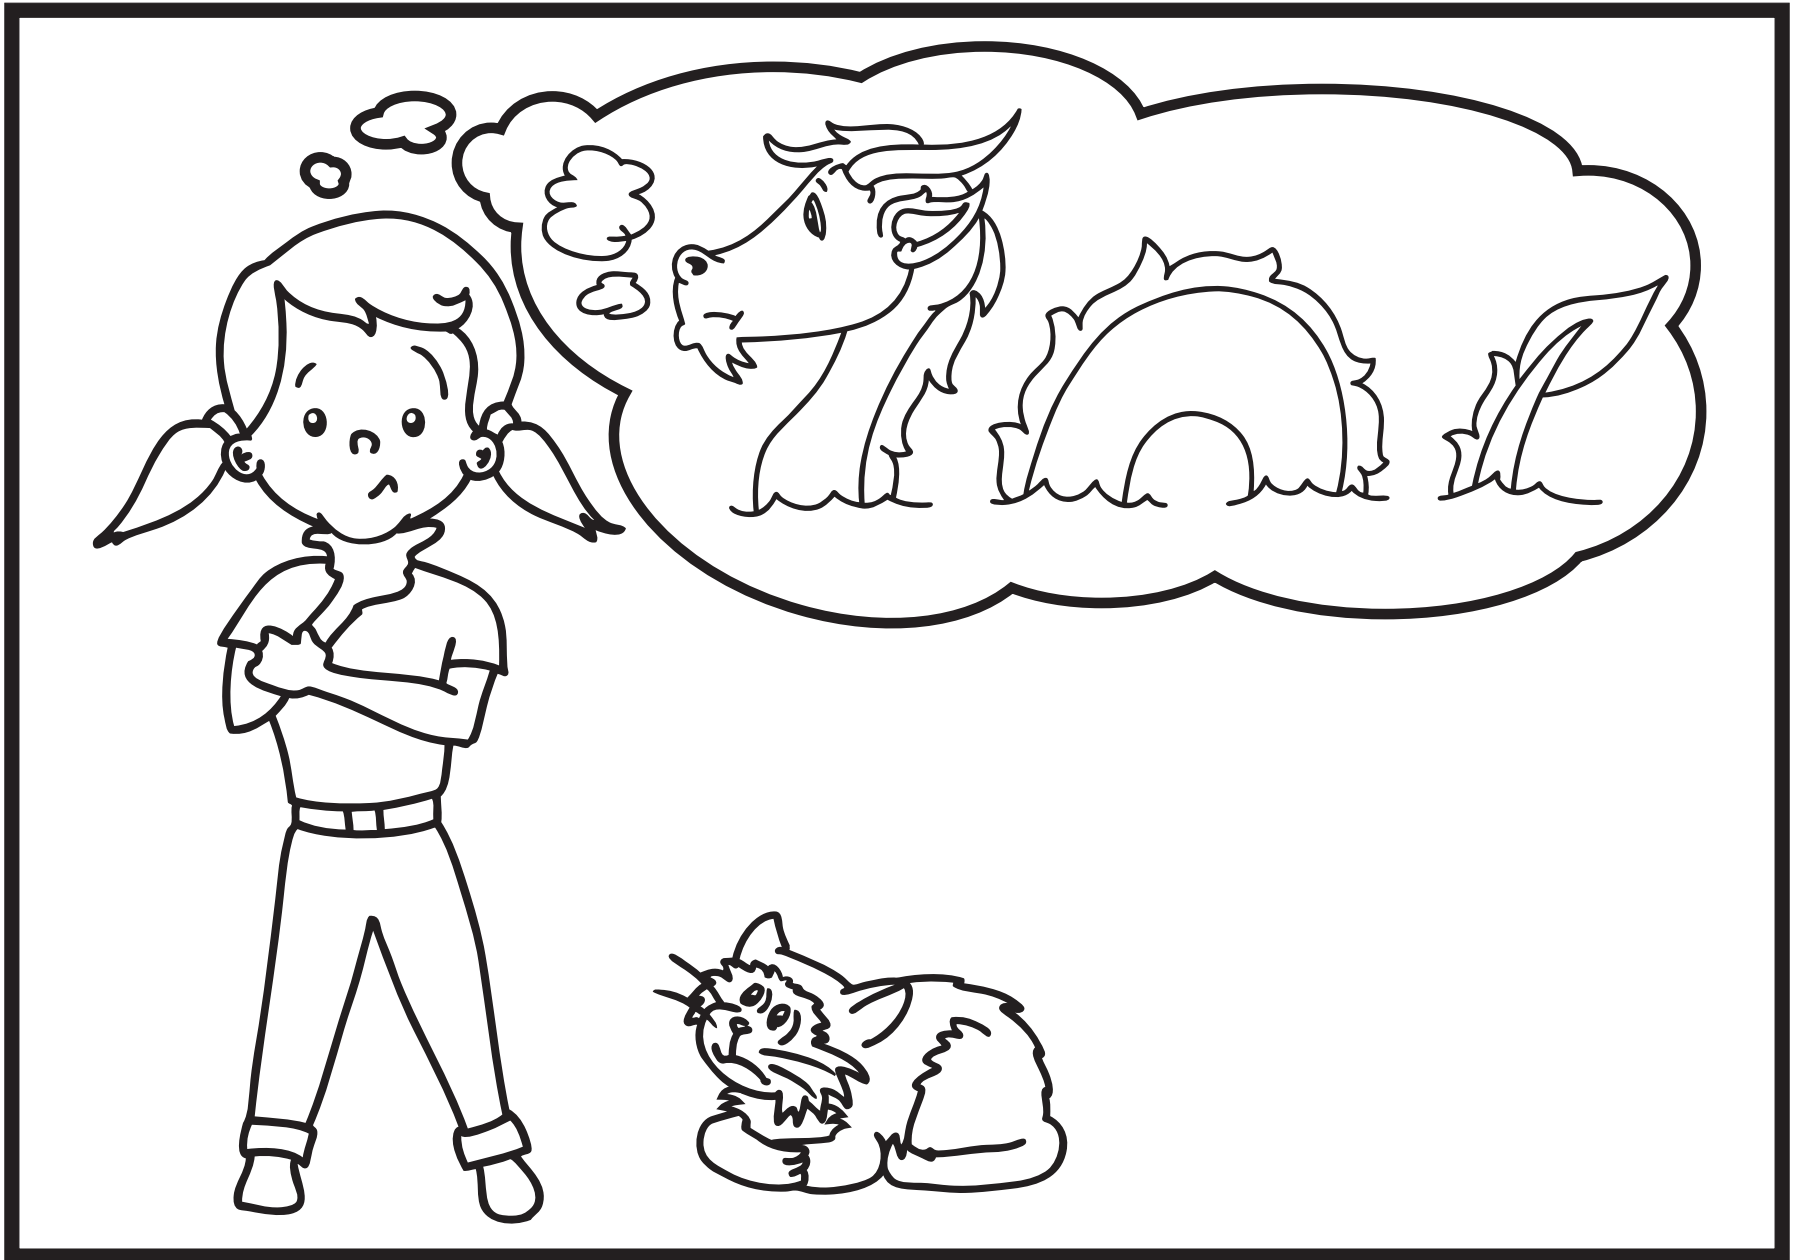

Goodness! There's a map inside...

Oh no! Look at the back of the map!

It's the last Sea-Dragon and the poor thing can't breathe fire!

Oh dear... How is it going to cook its seaweed and kelp if it can't make fire?

The Sea-Dragon needs help!
This sounds like
an adventure for:
